## Subscriptions

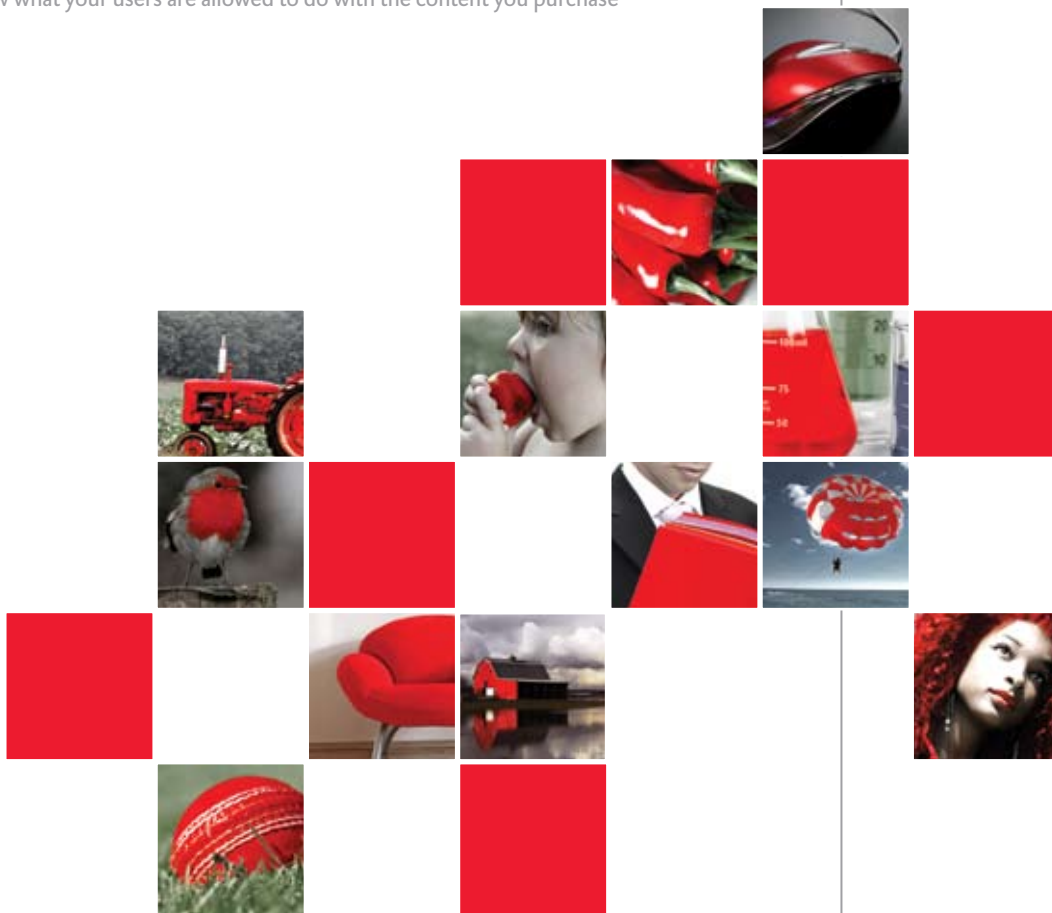

Library Edition

### The most effective way to manage your subscriptions

SwetsWise Subscriptions is the central focus of the SwetsWise solution and the most comprehensive subscription management and procurement service currently available. Swets understands that finding the time and effort needed to administer a large volume of subscriptions can be challenging, especially when trying to remain in control of your budget and see to the needs of your users at the same time. We can help.

By making the process of finding, ordering and managing subscriptions easier, SwetsWise Subscriptions will enable you to satisfy your users' content needs in the most cost-effective manner available. SwetsWise Subscriptions puts your library's entire collection at your fingertips, so you can:

- Manage thousands of subscriptions from a single interface
- Manage your license agreements along with your subscriptions
- Evaluate and report how your users are using the content you purchase
- Consolidate subscriptions to reduce handling requirements
- Control the variables that impact the needs of demanding users
- Get up to date information on the status of every subscription
- Know what your users are allowed to do with the content you purchase

## Serve your users instead of servicing your subscriptions

By integrating all the tools you need to acquire, access, manage and evaluate subscriptions and licenses, you can easily manage your relationships with thousands of publishers through a single, easy to use, web-based interface.

SwetsWise Subscriptions gives you a single platform from which you can control your subscriptions investment, improve the management of electronic journal licenses and ultimately reduce the amount of time and effort needed to manage your subscriptions.

- Identify and correct possible problems quickly
- Handle the majority of administrative tasks at the touch of a button
- Reduce the amount of time needed to handle your subscriptions
- Improve the overall value of your library's collection

## More options and greater possibilities

SwetsWise Subscriptions is fully customizable. It is available in several different languages and offers you a host of options:

### Extensive order functionality with high level of control

- Rapidly expanding catalog of more than 300,000 titles
- Catalog is searchable using basic and advanced search functionalities
- Review publisher's license conditions prior to ordering as well as what you will have to do in order to obtain access
- Easy to select items from search results
- Clear pricing information
- Electronic Shopping Cart for easy ordering

### Administrative tools and reliable support

- A complete overview of what subscriptions you have, where they are held and who is using them
- Overview of which licenses you have and their status
- Full claim overview for both print and electronic titles
- Management reports – including renewal and access notifications for every subscription
- License information and status of current license agreements
- Customer Service department on hand for more complicated issues
